Overview of current surcharges

Surcharges are payable as part of Ahlsell Danmark A/S delivery of products, etc., to the Customer. All surcharges are calculated per account.

Distribution surcharge

In the event an order is less than the specified maximum amount, the individual order will be subject to a Distribution surcharge. The amount of the surcharge is based on the order's expected type of delivery.

Type of delivery	Maximum amount	Distribution surcharge
Parcels	DKK 2,000	DKK 39
General cargo	DKK 2,000	DKK 169
Overnight delivery	DKK 2,000	DKK 199
Crane and forklift delivery	DKK 4,000	DKK 799
Delivery with pick-up at a Ahlsell store	DKK 0	DKK 0

Steel and Metals surcharge

In relation to orders for the delivery of Steel and Metals with a net value of less than DKK 4,000.00, a surcharge of DKK 799.00 is payable to Ahlsell.
The Steel and Metals surcharge is payable in addition to any Distribution surcharge specified above.

Special Order Item Surcharge

For orders relating to Special Order Items (as defined in Ahlsell's Terms and Conditions of Sale and Delivery in force from time to time) that entail special administrative handling in connection with sourcing, a Special Order Item Surcharge of DKK 99.00 per order shall be charged, as stated in the order confirmation.The surcharge shall be charged in addition to any other applicable surcharges in accordance with Ahlsell's surcharge schedule in force from time to time.

Energy surcharge

In relation to the delivery of products, except for orders stipulating pick-up at a Ahlsell store, an Energy surcharge is payable to Ahlsell, regardless of the order's value. A maximum of one Energy surcharge per order is payable, except for the If both a Distribution surcharge and a Steel and Metals surcharge are added to the order, the Energy surcharge will be calculated according to the highest rate according to the following:

Type of delivery	Parcels	General cargo	Overnight delivery	Crane and forklift delivery	Delivery with pick-up at a Ahlsell store*	Steel and metals
Energy surcharge	DKK 29	DKK 79	DKK 79	DKK 79	DKK 0	DKK 79

*An Energy surcharge will always be added to the delivery of Steel and Metals, no matter if the order is with pick-up at a Ahlsell store.

Extraordinary Energy Surcharge

As a result of extraordinary energy and transportation costs after March 2026, we charge an extraordinary energy surcharge of **DKK 19** per order.

Road Toll

Ahlsell will charge a Road Toll per order in connection with delivery of Products, regardless of the order value.

Type of Toll	Parcels	General cargo	Overnight delivery	Crane and forklift delivery	Delivery with pick-up at a Ahlsell store	Steel and metals
Road Toll	DKK 2	DKK 11	DKK 11	DKK 76	DKK 0	DKK 76

The Energy surcharge and Road Toll will appear on the same line in both the order confirmation and the invoice.

Pick-up surcharge – Steel and Metals from Ahlsell's stores

In relation to the delivery of Steel and Metals from Ahlsell's stores with a net value of less than DKK 4,000.00, a surcharge of DKK 799.00 will be payable to Ahlsell. The surcharge will be payable if all products purchased are placed on one order; are to be delivered to the same address and using the same type of delivery; and the total purchase is less than DKK 4,000.00.

Return pick-up surcharge

For the return pick-up of products pursuant to Ahlsell's terms and conditions for the Return of Products to Ahlsell, surcharges will be payable and will be determined according to volume and distance, with a minimum of DKK 249 per pick-up, however.
